ARE YOU TOO THIN?-How, ask the thin, are we to get fat? Nothing is easier. This is the treatment by one of the most eminent of London doctors, and it fatters up human beings as effectually as does test and high feeding fatten lean cattle and lean swine: The patient has to lie on a sofa, and to move as little as possible. He or she is fed with milk, farinaceous food, and other such fat-producing substances every two hours, and every two hours is massaged. All clothes near the skin are steeped in cil. This goes on for about a month before any flesh is put on; by the end of the second month the cure is effected. Hundreds of skeletons are thus clothed in flesh every year .- London Truth.
